Build Assure Domestic and Commercial Warranties

Build Assure Domestic and Commercial (D&C) Warranties are flexible insurance backed guarantees provided by FMB Insurance. They are specifically designed to provide you with complete peace of mind throughout the building process.

BUILD ASSURE D&C VALUE

An entry level product for those on a limited budget requiring cover for loss of deposit and/or liquidation during construction up to 10% of the insured value of the works.

BUILD ASSURE D&C 2

Suitable for smaller developments or those requiring a cost effective short term warranty solution. In addition to D&C Value, D&C 2* provides:

- ▶ Six months protection against structural defects or faulty workmanship resulting in your building failing to comply with regulations, codes of practice or matters which create a danger to the health and safety of the occupants as defined by the policy.
- ▶ Eighteen months protection against structural damage and water ingress relating to a load bearing element of the works, or other latent defects as defined by the policy.

REASSURANCE

BUILD ASSURE (D&C) 6

The mid-range warranty suitable for all types of developments. In addition to D&C Value, D&C 6* provides:

- ▶ Two years protection against structural defects or faulty workmanship resulting in your building failing to comply with regulations, codes of practice or matters which create a danger to the health and safety of the occupants as defined by the policy.
- ▶ Four years protection against structural damage and water ingress relating to a load bearing element of the works, or other latent defects as defined by the policy.

BUILD ASSURE (D&C) 10

The flagship warranty providing cover to your development at similar standards to a new housing policy. In addition to D&C Value, D&C 10* provides:

- ▶ Two years protection against structural defects or faulty workmanship resulting in your building failing to comply with regulations, codes of practice or matters which create a danger to the health and safety of the occupants as defined by the policy.
- ▶ Eight years protection against structural damage and water ingress relating to a load bearing element of the works, or other latent defects as defined by the policy.

*Limits of liability may be restricted (please see policy for details).
